

GENEALOGY WORKSHOPS

Saturday, January 16, 9:00 a.m. - 12:30 p.m.

How to Begin Your Family Research

Includes: Basics of Genealogy,
Types of Historical Records & Where to Locate Them,
Approaches for Finding Records on Women,
Organizing Your Family Information,
& Where to Get Help

Lunch break 12:30 1:00- p.m.
Sack lunches will be available for \$6.

Saturday, January 16, 1:00 - 4:30 p.m.

Using Technology in Your Research

Includes: Using the PC to Store Your Data
& Report the Information,
Evaluating the Accuracy of the Data You Find, Using Other
Technologies, &
Basics of DNA (What is DNA and how do I use it?)

Saturday, March 5, 9:00 a.m. - 12:30 p.m.

Let's Break Through Your Genealogy Brick Wall

Brick Walls is an interactive work session structured to teach participants strategies and methods to solve genealogy problems now & in the future. Get specific ideas of how to solve your specific brick wall, and develop an individual research plan. Listen to other attendees' brick walls and participate with ideas for their research plans. Learn to break through many types of brick walls—which you may face in the future—using advanced approaches & analytical thought processes.

Lunch break 12:30 - 1:00 p.m.
Sack lunches will be available for \$6.

Saturday, March 5, 1:00 - 4:30 p.m.

Brick Walls Workshop continues

Instructor: Sarah C. Roach, NSDAR Genealogy Consultant
